

A creative walk through Holy Week 2020

Tuesday – Prayer imaging

Read John 13:1-15 two or three times until one word or verse sticks out. Write this word or verse down on a piece of paper.

Sit quietly and consider –

- how does this make you feel?
- what colour do you associate with that feeling?
- does it remind you of something else, a story, film or event?
- is it positive or negative?

Now consider what God might be saying to you in this word or verse and trusting God begin to draw something that connects with that message. No one else will see this so trust God in yourself and just feel your way into the drawing.

Finally add the date and the message and store away to visit later, perhaps in your Bible.
