

A creative walk through Holy Week 2020

Wednesday – watch

Watch a favourite film, it can be anything for me it might be a Disney film?

After watching write down why it is a favourite and how that connects with your faith journey. It may not seem obvious, so think about the key points of the story, are there elements of sacrificial love, caring and sharing, betrayal, risk, trust etc.

What have you learnt about these things from the story?

Maybe share with a friend what you watched and what you have discovered.
